

ATTENTION: ALL SURVEYORS and BOSSI EXAM CANDIDATES

THE CUMBERLAND GROUP OF SURVEYORS

Invites you to attend our next informative General meeting

City Cadastral Surveys By Greg Frith, Rygate & Company Pty Ltd

Greg Frith is the convenor of the ISNSW BOSSI Cadastral Candidates Workshops which are held twice a year. His presentation at these Workshops details city surveys, search, alignment of roads, obstructed boundaries, old system deeds, title conversions and "surveying the title not the plan". He has had many requests over the years to present this to "real surveyors" as his talk is very educational. He has chosen to do this first at the Cumberland Group.

Identification Surveys By Bob Harrison, Harrison Friedmann & Associates Pty Ltd

Former President of ISNSW and winner of a NSW Excellence in Surveying & Spatial Information Award for an urban survey at Camp Cove, Bob is a well known for talking about urban cadastral surveying and identification surveys. This presentation is also one that is included in the ISNSW BOSSI Cadastral Candidates' Workshops every 6 months.

Also on the night will be the usual updates on the Institution, SMIC, BOSSI, Seniors Group and the Young Surveyors Group.
