The order of topics covered by the Instructional Workshops may vary depending on availability of presenters. Attendees will receive a handout CD covering most of the material presented. In particular the CD will include reference articles and papers on boundary location, rural boundary surveys, old system title, history of marks and marking, the parish map, alignment surveys, notes on survey investigation and identification surveys.

#### **Day 3 - Assessment Workshop** – Saturday 25<sup>th</sup> February 2012

Candidates are invited to bring their cadastral plans along for "pre-assessment" by panels of experienced Registered Surveyors. Details of the format of the "pre-assessment" will be supplied prior to the candidate's attendance at the workshop.

#### **How to Register**

Financially enrolled candidates with BOSSI are invited to send expressions of interest in attending any or all of the Workshops by email to [isnsw@surveyors.org.au](mailto:isnsw@surveyors.org.au) or by Fax to (02) 9261 8102. Those candidates that register their interest will be contacted with details of each Workshop. Spaces are limited so register early to avoid missing out

#### **Cost to Attendees**

The workshops are only available to financially enrolled candidates with BOSSI. For members of ISNSW the fee to attend each Instructional Workshop is \$25.00. ISNSW members attend the Assessment Workshops for free. For non members the fee per Workshop attended is \$100.00. If a non member chooses to join ISNSW (within a reasonable period of time) then \$75.00 of each of those fees paid will be credited against the cost of the relevant grade of membership.
