

ISNSW WEBINAR SERIES
"HOW TO MANAGE AND/OR REDUCE YOUR REQUISITIONS"
FRIDAY, 27 APRIL 2018
12:00 – 1:30 PM

Presenters: **Denny Linker, Steve Bishop** and **Tony Craig**

ABOUT THE WEBINAR & PRESENTERS

DENNY LINKER, Denny Linker & Co.

"Preparation of Strata Plans: From client instructions to registration of strata plan. The do's and don'ts of preparation of the strata plan leading to seamless certification and requisition free registration"

Denny Linker, Registered Surveyor and Accredited Strata Certifier, brings more than 50 years of experience in the preparation of strata plans and 18 years in strata plan certification. Denny has pioneered many amendments to the strata legislation from its introduction in 1961 to the latest amendments.

STEVE BISHOP, Chase Burke & Harvey / Intrax Consulting Engineers

"Recent Trends in Deposited Plan Requisitions and Ways to Reduce Them."

Steve Bishop is a Registered Surveyor with over 20 years' experience in private practice. Was a partner with Chase, Burke & Harvey Surveyors for 10 years before their recent merger with the multi-disciplinary Intrax Consulting Engineers. Steve's presentation will cover some recent trends in Deposited Plan requisitions and offer some suggestions on how to manage and avoid them, as well as offering some "poll" style questions allowing attendees to provide feedback.

TONY CRAIG, NSW Land Registry Services

"Plan Requisition Analysis and the Use of the Plan Reference Guide"

Tony Craig is the A/Director Titling and Plan Services, NSW Land Registry Services. He has 35 years' experience at NSW LRS, started as a survey drafting officer in 1983 and is a community based Auslan Interpreter. Tony's presentation will give a brief overview of the Plan Requisition Analysis undertaken by NSW LRS and provide a detailed summation of the Plan Reference Guide/Checklist.
